

GFWC Collect

Keep us O God from pettiness; let us be large in thought, in word, in deed. Let us be done with fault finding and leave off self- seeking. May we put away all pretense and meet each other face to face, without self- pity and without prejudice. May we never be hasty in judgment and always generous. Let us take time for all things; make us to grow calm, serene and gentle. Teach us to put into action our better impulses, straight forward and unafraid. Grant that we may realize it is the little things that create differences. That in the big things of life, we are at one. And may we strive to touch and to know the great common human heart of us all; and O Lord God, let us forget not to be kind!

General Federation of Women's Clubs

What We Do

Since founded in 1890, the GFWC has been a unifying force, bringing together local woman's clubs from around the country and throughout the world. Although there is considerable diversity in the ages, interests, and experiences of the GFWC clubwomen, all are united by a dedication to community improvement through volunteer service.

Accomplishments during GFWC's first century include: establishing 75 percent of the country's public libraries, developing kindergartens in the public schools, and working for food and drug regulations.

During its second century, the Federation has pledged to keep its commitment to working for a better world. With "Unity in Diversity" as its motto and a strong umbrella of programs that clubs may adapt to suit the needs of their communities, GFWC encourages the flexibility that has enabled it to expand its reach in a rapidly changing society.
